WHAT TO DO IN AN EMERGENCY

**FIRE**
1. Pull nearest fire alarm.
2. Call 650.323.6131 from a cell phone or 8-911 from a campus phone for police /fire/medic. Hit the star * button from any campus phone for Security.
3. Evacuate the area - stay at least 1000 feet away.
4. Do not use elevators.
5. In dense smoke, crawl on the floor to nearest exit.
6. Report if someone is still in the building.
7. Do not reenter without Fire Captain’s /Police approval.

**EARTHQUAKE**
1. Drop, cover and hold on.
2. Get under tables or desks where available - otherwise get to an inside wall or under an inside doorway.
3. Drop to knees with back to windows, knees together.
4. Clasp both hands firmly behind head, cover neck.
5. Bury face in arms, protect the head. Close eyes tightly.
6. Wait for instructions.

**MEDICAL EMERGENCIES**
1. Call 650.323.6131 from a cell phone or 8-911 from a campus phone for police /fire/medic. Hit the star * button from any campus phone for Security.
2. Remain calm.
3. Assess situation: Will you or the victim incur further injury?
4. Check for consciousness cautiously. Beware if victim is in contact with electricity. If so, turn off electricity before touching the victim.
5. When you find someone unconscious, yell for help and have someone bring the AED. (AED’s are located in every building).
6. Check for breathing and heart-beat. If either is absent, start CPR. (Automated external defibrillator) are located in every building on campus.
7. If AED is not available, call 650.323.6131 from a campus phone or 8-911 from a cell phone or hit the start * button from any campus phone for Security.
8. Continue CPR until AED arrives and someone has put it on the patient. Let the AED determine if the patient needs to be shocked. It will tell you how to shock if needed.
9. If shoefer enters your area, do whatever it takes to survive: Distract and overcome by throwing books, backpacks, chairs, and desks.

**SHOOTER ON CAMPUS**
1. Get out - If there is a safe route, run to nearest exit. Don’t run in a straight line.
2. Call 650.323.6131 from a cell phone or 8-911 from a campus phone for police /fire/medic. Call 650.400.5837 from a cell phone or hit the start * button from any campus phone for Security.
3. Hide Out - If not able to get out safely, hide in an area where you are well hidden and protected.
4. Keep Out - Lock yourself in a room, turn off all lights, barricade door with heavy furniture, and turn off all noise-producing objects (includes cell phones). Stay quiet.
5. Spread Out - Do not huddle in groups. Avoid going into areas such as bathrooms.
6. If shooter enters your area, do whatever it takes to survive: Distract and overcome by throwing books, backpacks, chairs, and desks.

**SUSPICIOUS PACKAGES**
Do not touch! Leave the area immediately. Call 650.323.6131 from a cell phone or 8-911 from a campus phone for police /fire/medic. Hit the start * button from any campus phone for Security.

HANDS-ONLY CARDIOPULMONARY RESUSCITATION (CPR)

Administer CPR with hands only, without mouth-to-mouth breaths. It is recommended for use by people who see an adult suddenly collapse in the "out-of-hospital" setting. It consists of two steps:

CALL
Call 650.323.6131 from a cell phone or 8-911 from a campus phone for police/fire/medic. Call 650.400.5837 from your cell phone or hit the star * button from any campus phone for Security.

PUSH
Get directly over the victim. Put the heel of your hand in the center of the chest between the nipples. Put your other hand over the first. Begin providing high-quality chest compressions by pushing hard and fast at the rate of 100 beats a minute in the center of the chest with minimal interruptions until help arrives.
